

# SUPPORT A HAWK

## 2018 PLAYER SPONSORSHIP PROGRAM

On behalf of the Cardiff Australian Football Club and its players I invite you to participate in the clubs "Support A Hawk" program for 2018. The sponsorship package provides your businesses with a low cost advertising product that not only helps our club with critical revenue raising but also supports your sponsored player with a percentage being allocated to their playing costs.

In 2018 our club will aim to be a fierce premiership challenger in all senior grades whilst we continue to develop our junior talent into the senior program. Off field we will make the exciting move to our new, purpose built Aussie Rules facility in the heart of Newcastle's growth corridor, Cameron Park.
